Everyone from President Obama to Mia Hamm to Clara Barton were present at the fun event.

### HAPPY BIRTHDAY, WILLIAM!

### KINDERGARTEN TO THE RECYCLING CENTER

To celebrate Earth day and conclude their unit on saving the planet, kindergarten visited the Montgomery County Recycling Center. Students learned the importance of recycling, what items can be recycled in Montgomery County, and how items are sorted to be recycled. **PREPARING WELL AT CATHOLIC CEMETERIES**

When there is a death in the family, major decisions need to be made quickly, usually by people who are grief-stricken. Yet, CCAW Cemetery Managers note the presence of some peace among families whose loved ones have prepared well and made cemetery arrangements before time of death. This preparation is an act of hope and faith in the life to come. It's a way of taking care of family and friends then by making decisions for them now. Families can gather preliminary information on cemetery property prices, choices for memorialization, and other options by visiting the Archdiocese of Washington Catholic Cemetery website

at [www.ccaw.org](http://www.ccaw.org). The website also has information on hospice care, bereavement services, end-of-life issues, and Catholics and cremation.

**POPE FRANCIS**

"[I]f the family is the sanctuary of life, the place where life is conceived and cared for, it is a horrendous contradiction when it becomes a place where life is rejected and destroyed. So great is the value of a human life, and so inalienable the right to life of an innocent child growing in its mother's womb, that no alleged right to one's own body can justify a decision to terminate that life, which is an end in itself and which can never be considered the 'property' of another human being.

Francis, apostolic exhortation, *Amoris laetitia* 83.
