SPACE X VISIT

On May 4, St. Jane de Chantal welcomed Tim Hughes from SpaceX, who spoke to the entire school about the future of rockets and private space travel. The students were on the edge of their seats as they watched videos of the successful landing of the SpaceX Falcon's rocket. Mr. Hughes, son of former kindergarten teacher, Sandy Hughes, also showed exciting videos of rockets exploding during the trial and error phase of rocket science. The visit inspired many students to show an interest in future careers

in engineering and science. Hard work, math skills, and creativity is what Mr. Hughes told the students SpaceX values in their future employees. The students showed their love of space with excellent questions and enthusiasm.

MOTHER'S DAY SHOW

On Friday, May 6, the first grade classes welcomed their mothers, grandmothers, aunts, and special women in their lives into the classroom for the annual Mother's Day Show. The students performed skits, sang songs, read books, prayed the rosary, and honored the mother of us all, the Virgin Mary. Tissues were a must for this beautiful show that was the first grade's gift to their mothers. The program ended with the singing of *Immaculate Mary* and the crowning of Mary with beautiful flowers.

FIRST COMMUNION

On Saturday, May 7, St. Jane de Chantal School and Faith Formation second grade students celebrated their first Holy Communion. Dressed in white with veils and white gloves, or jackets and ties, the children celebrated the next big step in their Catholic faith. The class has been preparing for months with retreats on the weekend, and learning the importance of Holy Communion in their classes. Congratulations to all First Communicants, their teachers, and their families for this big event!

GRANDPARENT'S DAY

On Monday, May 9, St. Jane de Chantal welcomed all grandparents to join in a day of celebration with their grandchildren at school. After attending Mass with their grandchildren, grandparents were invited back to the school for refreshments and visits to the classrooms. Students spent the morning showing their grandparents their school routine, singing special songs, playing games, and enjoying their company.

PREPARING WELL AT CATHOLIC CEMETERIES

When there is a death in the family, major decisions need to be made quickly, usually by people who are grief-stricken. Yet, CCAW Cemetery Managers note the presence of some peace among families whose loved ones have prepared well and made cemetery arrangements before time of death. This preparation is an act of hope and faith in the life to come. It's a way of taking care of family and friends then by making decisions for them now. Families can gather preliminary information on cemetery property prices, choices for memorialization, and other options by visiting

the Archdiocese of Washington Catholic Cemetery website at www.ccaw.org. The website also has information on hospice care, bereavement services, end-of-life issues, and Catholics and cremation.

STEWARDSHIP

One miracle of Pentecost was that, despite their diversity, each listener heard God's word in his or her own language.

The meaning for stewardship is that, by sharing the gifts poured out on us by the Holy Spirit, we will be empowered to meet the needs of our brothers and sisters, whatever they may be.
