POPE FRANCIS

"For God so loved the world that he gave his only Son' (Jn 3:16).
 [...] This is the simplest expression that epitomizes all of the Gospel, all of the faith, all of theology: God loves us with a free and boundless love. The Cross of Christ is the supreme proof of the mercy and love that God has for us: Jesus loved us "to the end" (Jn 13:1), meaning not only to the last instant of his earthly life, but to the farthest limit of love. While in creation the Father gave us proof of his immense love by giving us life, in the passion and death of his Son "

Pope Francis, *Angelus*,
 Fourth Sunday of Lent,
 15 March 2015.
